foundation functions because of the support from

donors, therefore, your contribution will help someone

in time of need. You can also donate or support our

handmade products from the Vocational program.

The Foundation's objectives are:

1. Promote and support the educational program and quality of life for the disadvantaged
2. Vocational program and counseling for the disadvantaged
3. Charity work
4. Co-operate with the other non-profit Organizations
5. No involvement with politics

Baan ChivitMai Jaisamarn is located in the Klong

Toey community in Bangkok. It is a center that cares

for the underprivileged kids and the at-risk teenager

including the helpless disabled person

The clients will be provided with rehabilitative

care, counselling and stress release resulting from

violence and abuse by their own families. They are

given love, care, warmth and joy so that they can be

independent and not be a burden to The society

The centre also run The Girls' Brigade and The

Young Men's Brigade program for wholistic

development of children and youths in the Physical,

Educational, Spiritual and Service areas.
